

Improving Curbside Garbage Collection

As part of an on-going effort to improve and streamline curbside garbage collection in High Springs, residents with blue or brown Republic Services trash containers **MUST** be discarded by September 3, 2021. These old carts can be left empty, curbside and will be picked up by GFL.

Black WCA/GFL issued carts will be the **ONLY** curbside trash cans accepted after September 3, 2021. If you need a replacement WCA/GFL cart, please contact High Springs Public Works at 386-454-2134.
